Category:Android (operating system) softwareWednesday, June 9, 2017 CS:GO player Nicolai "device" Reedtz has announced that he is stepping down from the team. He has been employed by the team since he joined Fnatic in late 2015, and after winning a \$350,000 contract with the company, has left the team once again. device Today, I want to announce that I am leaving FC Copenhagen to pursue a new chapter in my career. I will continue to work as a professional CS:GO player, and I look forward to see what the future will bring. I will always cherish the time I spent with the FC Copenhagen organization and its fans, and wish them all the best for the future. Thank you! More information to come. I have been with the team since the start and I am in no way doing this in a malicious way. I would like to give my thanks to the players and the staff for the past two years that I was able to work with and play alongside. It was truly an honor to have been a part of the team. It is sad that I will leave, but I will be there in the crowd watching our new boys progress! I wish them the best of luck in the future. I will be cheering for you guys. I plan to move over to a team close to home soon, so don't expect too much from me in the short term. Stay tuned! I have always made the best decisions, and I am confident that everything will fall into place for me as I progress in the game.
