About This Content

Frequent Foes, Volume 6

Swell your ranks with Monster Grin's Frequent Foes token packs! These packs provide tokens for all of the "usual suspects" that one expects to encounter while gaming: goblins, orcs, dark elves, ogres, and more. In this pack, canny DMs/GMs will find 132 amazingly crafted tokens from well-known fantasy artist James Shields that depict insidious elementals: Earth, Fire, Wind, Water, Ooze, and much more!

Utilize Monster Grin's Token Halo System to create different types of teams (red, gold, green, black, silver, or blue), or even different levels of the same kind of creature (i.e. boss, high, medium, or low level) to help keep track of what's what and who's who. Also, with Monster Grin's new Altered States tokens, you can get maximum value from each and every token in this pack and really add that special something to your game!

This token pack includes (ringed in black, blue, gold, green, greyscale, and silver, as well as ethereal, invisible, stone-skinned, sand-skinned, and altered state versions):

- Earth Elemental
- Fire Elemental
- Sand Elemental

-
- Water Elemental
 - Wind Elemental
 - Ooze Elemental

Converted by: James Holloway

Released on August 05, 2018. Designed for Fantasy Grounds version 3.3.6 and higher.

Requires: An active subscription or a one time purchase of a Fantasy Grounds Full or Ultimate license and any ruleset.
